Subject: Closure of Administrative Order – Spencer Homesite Water Association (WY5600184), Docket No. SDWA-08-2020-0041, Fremont County, Wyoming
Date: Friday, September 24, 2021 1:01:07 PM

Hello Mr. Dailey,

The EPA has decided to close the Administrative Order (Order) regarding the public water system specified in the subject line. The EPA has determined that there are no remaining requirements of the Order.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.

Best,

Steven Latino
