Re: Compliance Order/Settlement Agreement (Field Citation) for Isle Public School Bus Garage

Dear Mr. Bruske:

On October 25, 2012, the U.S. Environmental Protection Agency issued a Notice of Violation and Compliance Order/Settlement Agreement (Field Citation) concerning violations found during a compliance inspection conducted at the Isle Public School Bus Garage located at 585 Isle Street West in Isle, Minnesota.

We received your signed original copy of the Settlement Agreement, dated November 6, 2012, and the check for \$420.00 in penalties. We have reviewed the original copy of the Settlement Agreement where you have indicated that you have corrected the cited violations of the underground storage tanks regulations.

The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA files. We also have accepted and processed your check as part of the settlement process.

If you have any further questions, please feel free to contact Mark Restaino, of my staff, at (312) 886-0394.

Sincerely,

A handwritten signature in cursive script that reads "Gary Victorine".
