SUBJ: Consent Agreement and Final Order
Docket No. TSCA -04-2007-2706(b)

Dear Mr. Taylor:

Enclosed please find an executed copy of the ratified Consent Agreement and Final Order (CAFO) in the above referenced matter. The CAFO is effective as of the date of filing with the Regional Hearing Clerk. Because the penalty of three thousand and eighty dollars (\$3,080) was paid at the time you signed the CAFO and before the CAFO was ratified, you do not need to follow the provisions in paragraphs 13 and 14, with respect to payment of the penalty.

Also enclosed please find a copy of the "Notices of Securities and Exchange Commission Registrants' Duty to Disclose Environmental Legal Proceedings." This document puts you on notice of the potential duty to disclose to the Securities and Exchange Commission (SEC) any environmental enforcement actions taken by the U. S. Environmental Protection Agency (EPA). If you have any questions with regard to the SEC's environmental disclosure requirements, you may refer to the contact phone number at the bottom of the Notice.

If you have any questions, please contact Ms. Liz Wilde of the EPA Region 4 staff at (404) 562-8998.

Sincerely,

A handwritten signature in black ink, appearing to read "Joanne Benante".

NOTICE OF SECURITIES AND EXCHANGE COMMISSION REGISTRANTS' DUTY TO DISCLOSE ENVIRONMENTAL LEGAL PROCEEDINGS

Securities and Exchange Commission regulations require companies registered with the SEC (e.g., publicly traded companies) to disclose, on at least a quarterly basis, the existence of certain administrative or judicial proceedings taken against them arising under Federal, State or local provisions that have the primary purpose of protecting the environment. Instruction 5 to Item 103 of the SEC's Regulation S-K (17 CFR 229.103) requires disclosure of these environmental legal proceedings. For those SEC registrants that use the SEC's "small business issuer" reporting system, Instructions 1-4 to Item 103 of the SEC's Regulation S-B (17 CFR 228.103) requires disclosure of these environmental legal proceedings.

If you are an SEC registrant, you have a duty to disclose the existence of pending or known to be contemplated environmental legal proceedings that meet any of the following criteria (17 CFR 229.103(5)(A)-(C)):

- A. Such proceeding is material to the business or financial condition of the registrant;
- B. Such proceeding involves primarily a claim for damages, or involves potential monetary sanctions, capital expenditures, deferred charges or charges to income and the amount involved, exclusive of interest and costs, exceeds 10 percent of the current assets of the registrant and its subsidiaries on a consolidated basis; or
- C. A governmental authority is a party to such proceeding and such proceeding involves potential monetary sanctions, unless the registrant reasonably believes that such proceeding will result in no monetary sanctions, or in monetary sanctions, exclusive of interest and costs, of less than \$100,000; provided, however, that such proceedings which are similar in nature may be grouped and described generically.

Specific information regarding the environmental legal proceedings that must be disclosed is set forth in Item 103 of Regulation S-K or, for registrants using the "small business issuer" reporting system, Item 103(a)-(b) of Regulation S-B. If disclosure is required, it must briefly describe the proceeding, "including the name of the court or agency in which the proceedings are pending, the date instituted, the principal parties thereto, a description of the factual basis alleged to underlie the proceedings and the relief sought."

You have been identified as a party to an environmental legal proceeding to which the United States government is, or was, a party. If you are an SEC registrant, this environmental legal proceeding may trigger, or may already have triggered, the disclosure obligation under the SEC regulations described above.

This notice is being provided to inform you of SEC registrants' duty to disclose any relevant environmental legal proceedings to the SEC. This notice does not create, modify or interpret any existing legal obligations, it is not intended to be an exhaustive description of the legally applicable requirements and it is not a substitute for regulations published in the Code of Federal Regulations. This notice has been issued to you for information purposes only. No determination of the applicability of this reporting requirement to your company has been made by any governmental entity. You should seek competent counsel in determining the applicability of these and other SEC requirements to the environmental legal proceeding at issue, as well as any other proceedings known to be contemplated by governmental authorities.

If you have any questions about the SEC's environmental disclosure requirements, please contact the Office of Chief Counsel in the SEC's Division of Corporation Finance. The phone number is (202) 942-2900.

CONSENT AGREEMENT FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is Clark W. Taylor (hereinafter, "Respondent").

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. The Administrator of EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F under the authority of Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d. Pursuant to 42 U.S.C. § 4852d(b)(5), a violation of any rule in 40 C.F.R. Part 745, is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689. Any person who violates Section 409 of TSCA may be assessed a penalty of up to \$10,000 for each such violation, in accordance with Section 16(a) of TSCA, 15 U.S.C. § 2615(a) and Section 1018. For a violation occurring after January 31, 1997, a penalty of up to \$11,000 may be assessed pursuant to 40 C.F.R. Part 19, and in accordance with 40 C.F.R. § 745.118(f).

4. The authority to take action under Section 16(a) of TSCA, 15 U.S.C. § 2615(a), is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under TSCA to EPA Region 4 by EPA Delegation 12-2-A, dated May 11, 1994.

III. Specific Allegations

5. Respondent is a lessor, as defined at 40 C.F.R. § 745.103, of residential housing identified as Fountainbleau Apartments located at 950 Spring Creek Road and Chateau Royale Apartments located at 25 South Germantown Road, both in Chattanooga, Tennessee. This residential housing is “target housing,” as defined at 40 C.F.R. § 745.103.

6. Based on information obtained by EPA on or about April 19, 2002, relating to Respondent’s contracts to lease its target housing described above, EPA alleges that Respondent violated Section 409 of TSCA and the following regulations:

- Pursuant to 40 C.F.R. § 745.107(a)(1), a lessor shall provide the lessee an EPA-approved lead hazard information pamphlet before the lessee is obligated under any contract to lease target housing.

Respondent failed to provide lessees an EPA-approved pamphlet.

- Pursuant to 40 C.F.R. § 745.113(b)(1), each contract to lease target housing shall include, as an attachment to or within the contract, a “Lead Warning Statement.”

Respondent failed to include the required “Lead Warning Statement.”

- Pursuant to 40 C.F.R. § 745.113(b)(2), each contract to lease target housing shall include, as an attachment to or within the contract, a statement disclosing the presence of known lead-based paint and/or lead-based paint hazards in the target housing being leased or a statement indicating no knowledge of the presence of lead-based paint and/or lead-based paint hazards.

Respondent failed to include an appropriate statement.

- Pursuant to 40 C.F.R. § 745.113(b)(3), each contract to lease target housing shall include, as an attachment to or within the contract, a list of any records or reports available to the lessor pertaining to lead-based paint and/or lead-based paint hazards in the housing that have been provided to the lessee, or an indication that no such records or reports are available.

Respondent failed to include the appropriate information.

IV. Consent Agreement

7. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

8. Respondent waives its right to a hearing on the allegations contained herein.

9. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

10. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with the requirements of 40 C.F.R. Part 745, Subpart F.

11. Compliance with this CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States. Other than as expressed herein, neither EPA nor Complainant waives any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or pursue criminal enforcement.

12. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of 40 C.F.R. Part 745, Subpart F.
