Docket No. SDWA-08-2010-0036
Recluse School
PWS ID # WY5601057

Dear Mr. Strahorn:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued to the Campbell County School District (the District) on April 20, 2010. The EPA has determined that the District has complied with the terms of the Order and therefore we will close it at this time.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515. Thank you for resolving these issues.

Sincerely,

Lisa Kahn, Team Leader
