Subject: Closure of Administrative Order – Spencer Homesite Water Association, WY5600184, Docket No. SDAW-08-2020-0013, Fremont County
Date: Thursday, August 20, 2020 7:11:38 AM

Hi Roger,

The EPA has decided to close the Administrative Order (Order) regarding the public water system specified in the subject line. The EPA has determined that although the requirements of the Order have not been completed, it is in the best interests of the public to close this Order and issue a new Order with updated information.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

If you have any questions regarding this matter, please contact me.

Best,

Steven Latino
