Re: Termination of Administrative Compliance Order on Consent
Docket No. CWA 07-2006-0243

Dear Mr. Gepford:

On January 25, 2007, the above referenced Administrative Compliance Order was issued by the Environmental Protection Agency to you under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a). The EPA has reviewed the information submitted by you in response to the required compliance activities and has determined that those requirements have been adequately met. This letter serves as a notification to you that the EPA is terminating the Order. EPA's decision to terminate the Order is conditioned upon the accuracy of your representations to the EPA in response to the requirements of the Order.

Termination of the Order in no way relieves you of the obligation to comply with all applicable statutes and regulations. The effect of this Termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this Termination Letter or the above referenced enforcement action, please contact Dr. Delia Garcia of my staff at (913) 551-7262 or Steven Sanders in the Office of Regional Counsel at (913) 551-7578.

Sincerely,

A handwritten signature in black ink that reads "Karen A. Flournoy".
