40. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a true and correct copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).
41. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period a debt is overdue. 40 C.F.R. § 13.11(b). 42. A late payment penalty of six percent (6%) per year will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). The late payment penalty on any portion of the civil penalty that remains delinquent for more than ninety days shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).

Certification

44. The individual who signs this Consent Agreement on behalf of Respondent certifies that the Facility referred to in this Consent Agreement is currently in compliance with all applicable requirements of EPCRA Section 313.

Other Applicable Laws

45. Nothing in this CAFO shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations.

Reservation of Rights

46. This Consent Agreement and the accompanying Final Order resolve only EPA's claims for civil penalties for the specific violation of EPCRA § 313 alleged herein. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice. Further, EPA reserves any rights and remedies available to it under EPCRA, the regulations promulgated thereunder, and

any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO, following its filing with the Regional Hearing Clerk.

47. Respondent is aware that the submission of false or misleading information to the United States government may subject it to separate civil and/or criminal liability. Complainant reserves the right to seek and obtain appropriate relief if Complainant obtains evidence that the information provided and/or representations made by Respondent to Complainant regarding the matters at issue in the Findings of Fact or Conclusions of Law are false, or in any material respect, inaccurate.

Scope of Settlement

48. The settlement set forth in this CAFO shall constitute full and final satisfaction of Complainant's civil claims for penalties for the specific violation alleged herein. Compliance with the CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.
