REGIONAL HEARING

In the Matter of

U.S. Department of Veterans Affairs, :

Respondent.

Docket No. RCRA-02-2012-7502

Proceeding Under Section 9006 of the Solid Waste Disposal Act,

as amended

STATUS REPORT AND MOTION FOR EXTENSION OF TIME

This status report is provided pursuant to the Order of this Court issued on June 6, 2012. On May 30, 2012, Counsels for the parties reached a mutual agreement to recommend a settlement figure to their respective Agencies. On May 31, 2012, Counsels for the parties filed a Joint Motion to Hold the Case in Place. This Court, however, gave the parties until July 6th to file a fully-executed consent agreement and final order ("CA/FO") or otherwise, Complainant has to file its prehearing exchange by that date. Since then, the Parties have reached an agreement for a sum certain. The undersigned has prepared the CA/FO and obtained certain necessary approvals which included approval from EPA Headquarters. Today, the undersigned sent the CA/FO to Counsel for Respondent so he can get the necessary approvals and signatures from his Agency.

The undersigned believes that the Parties have proceeded expeditiously to resolve this matter amicably; however, because of the following circumstances: (1) the Parties are federal agencies with layers of approvals (including Headquarters' approval for the Complainant), (2) Respondent's Counsel has to get approval and signatures from personnel and the Directors of

three separate facilities (two in New York and one in New Jersey), and (3) Some people necessary for the concurrence/approval of the CA/FO will be taking extended leave during the upcoming July 4th Holiday week, the CA/FO cannot be fully-executed by July 6, 2012. Complainant believes that given the fact that a settlement has been reached and that the CA/FO is already in the signature process, the preparation of a prehearing exchange at this time does not represent the optimum use of the Agency's limited resources. The undersigned believes that with an additional short period of time, the Parties can fully execute the CA/FO. Therefore, Complainant respectfully requests a three week extension of time until July 27, 2012 to either submit a fully-executed CA/FO or Complainant's prehearing exchange.

Dated: June 21, 2012

Respectfully submitted,
