MOTION FOR A THIRD EXTENSION OF TIME IN WHICH TO ANSWER

COMES NOW Marathon Oil Company ("Marathon"), Respondent in the above-captioned matter, through its counsel, and makes this Motion for a Third Extension of Time in Which to Answer the Proposed Penalty Complaint dated July 25, 2011, per 40 C.F.R. § 22.7(b), on the following grounds:

1. Marathon and representatives of the Environmental Protection Agency's (EPA) Region 8 Office conducted an informal settlement conference on August 18, 2011, and have agreed upon terms to settle the above matter.
2. Representatives of the EPA provided Respondent with the proposed Consent Agreement on October 5, 2011. Respondent has signed the Consent Agreement, a copy of which is attached as Exhibit "A," and returned it to the EPA, but has not received a fully executed copy from the EPA.
3. This Motion is made in the interest of administrative efficiency and judicial economy to allow the EPA and Marathon to conclude the above matter.
4. The granting of an additional eight (8) days, until October 19, 2011, in which to file the answer, will not prejudice or adversely affect any party, but will instead assist the EPA in finalizing this enforcement action.

WHEREFORE: Marathon respectfully requests this Motion for a Third Extension of Time in Which to Answer be granted, along with such other and further relief to which Marathon may be entitled to at law or in equity.

Dated this 10th day of October, 2011.

Respectfully submitted,

CONSENT AGREEMENT

Complainant, United States Environmental Protection Agency, Region 8 (EPA), and Respondent, Marathon Oil Company (Respondent), by their undersigned representatives, hereby consent and agree as follows.

BACKGROUND

1. On July 25, 2011, EPA issued a Proposed Compliance Order, Penalty Complaint and Notice of Opportunity for Hearing (Complaint) to Respondent for certain violations of Part C of the Safe Drinking Water Act (SDWA), 42 U.S.C. § 300h et seq., and the underground injection control (UIC) regulations promulgated thereunder.
2. Respondent admits the jurisdictional allegations of the Complaint and neither admits nor denies the specific factual allegations of the Complaint.
3. Respondent waives its right to a hearing before any tribunal, to contest any issue of law or fact set forth in the Complaint or this Consent Agreement.

4. This Consent Agreement, upon incorporation into a final order, applies to and is binding upon EPA and upon Respondent and Respondent's heirs, successors or assigns. Any change in the ownership or corporate status of Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter Respondent's responsibilities under this agreement. This Consent Agreement contains all terms of the settlement agreed to by the parties.
5. EPA acknowledges that Respondent is now in compliance with the violations that formed the basis of the Complaint.
6. EPA acknowledges that regarding the Shoshone 65-40 well, Respondent provided evidence that it had contacted EPA in December 2010, and obtained EPA approval of an alternate procedure in March 2011.
7. Due to Respondent's compliance and in consideration of the statutory penalty factors at 42 U.S.C § 300h-2(c)(4)(B), EPA agrees to settle this action for thirty-six thousand dollars (\$36,000).
8. Respondent consents and agrees to pay a civil penalty in the amount of thirty six thousand dollars (\$36,000.00), in the manner described below in this paragraph.
 - a. Payment is due within 30 calendar days from the date written on the Final Order, issued by the Regional Judicial Officer, that adopts this Consent Agreement. If the due date falls on a weekend or legal federal holiday, then the due date becomes the next business day. The date the payment is made is considered to be the date processed. Payments received by 11:00 A.M. EST are processed on the same business day, those received after 11:00 A.M. are processed on the next business day.
 - b. The payment shall be made by remitting a cashier's or certified check, including

- c. In the event payment is not received by the specified due date, interest accrues from the date of the final order, not the due date, at a rate established by the Secretary of the Treasury pursuant to 31 U.S.C. 3717, and will continue to accrue until payment in full is received. (i.e., on the 1st late day, 30 days of interest accrues).
 - d. In addition, a handling charge of fifteen dollars (\$15) shall be assessed on the 31st day from the date of the Final Order, and each subsequent thirty day period that the debt, or any portion thereof, remains unpaid. In addition, a six percent (6%) per annum penalty shall be assessed on any unpaid principal amount if payment is not received within 90 days of the due date (i.e., the 121st day from the date the final order is signed). Payments are first applied to handling charges, 6% penalty interest, late interest, and any balance is then applied to the outstanding principal amount.
 - e. Respondent agrees that the penalty shall never be claimed as a federal or other tax deduction or credit.
9. Nothing in this Consent Agreement shall relieve Respondent of the duty to comply with the SDWA and its implementing regulations.
10. Failure by Respondent to comply with any of the terms of this Consent Agreement shall constitute a breach of the Consent Agreement and may result in referral of the matter to the Department of Justice for enforcement of this agreement and for such other relief as may be appropriate.
11. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated

with any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this Consent Agreement.

12. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind Respondent to the terms and conditions of this Consent Agreement.
13. The parties agree to submit this Consent Agreement to the Regional Judicial Officer with a request that it be incorporated into a final order.
14. Each party shall bear its own costs and attorney fees in connection with this matter.
15. This Consent Agreement, upon incorporation into a final order by the Regional Judicial Officer and full satisfaction by the parties, shall be a complete and full civil settlement of the specific violations alleged in the Complaint.
