Re: Administrative Order Violation
LeMaster Enterprises Water System
Docket No. SDWA-08-2012-0022
PWS ID #5601518

Dear Mrs. Capps:

On April 24, 2012, the U.S. Environmental Protection Agency (EPA) issued an Administrative Order (Order) ordering you, as owner/operator of the LeMaster Enterprises public water system, to comply with the Safe Drinking Water Act (SDWA), 42 U.S.C. Section 300f *et seq.*, and its implementing regulations, the National Primary Drinking Water Regulations (NPDWRs), 40 C.F.R. Part 141.

Our records indicate that you (Respondent) are in violation of the Order. Among other things, the Order included the following requirement (quoted from item 18 on page 3 of the Order):

Within 10 days of receipt of this Order, Respondent shall notify the EPA in writing of the corrective action status of the System's significant deficiencies, as required by 40 C.F.R. § 141.405(a)(2). If the corrective actions have not been completed, Respondent shall complete the corrective actions within 45 days of receipt of this Order. Within 10 days of completion of the corrective actions, Respondent shall provide evidence to EPA that the corrective actions have been completed, including a copy of the Emergency Response Plan, photographs of all improvement, and the following certification signed by a person of authority at the System: "I certify under penalty of perjury that LeMaster Enterprises has completed all corrective actions to address all significant deficiencies."

Respondent has not notified EPA of the corrective action status of the significant deficiencies. As the Order was received by Mr. Capps on April 27, 2012, corrective action was required to be completed by June 12, 2012, and a copy of the emergency response plan, photographs of all improvements, and the above certification was due to EPA by June 22, 2012.

EPA is considering additional enforcement action as a result of your non-compliance with the Order. Violating an Administrative Order may lead to (1) a penalty of up to \$37,500 per day per violation of the Order, and/or (2) a court injunction ordering compliance.
