Re: Elk City, PWS ID Number KS2012520
Administrative Order on Consent Termination
Docket No. SDWA-07-2024-0007

Dear Mayor Reid:

The above referenced Administrative Order on Consent became effective on December 4, 2023, pursuant to Section 1414(g) of the Safe Drinking Water Act, 42 U.S.C. § 300g-3(g). The U.S. Environmental Protection Agency has reviewed the information related to the Order's compliance activities and the PWS's continuous compliance with the Stage 2 Disinfection Byproduct Rule. Based on this review the EPA has determined SDWA requirements have been adequately met. This letter serves as a notification the EPA is terminating the Order.

The EPA's decision to terminate the Order is conditioned upon the accuracy of the City's representations to the EPA. Termination of this Order in no way relieves the obligation to comply with the Safe Drinking Water Act and all applicable statutes and regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all of its authorities, both legal and equitable, under the SDWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter, please contact Adam Hendrickson, of my staff, at (816) 715-3787, or Melissa Bagley in the Office of Regional Counsel at (913) 551-7522.

Sincerely,

Alyse Stoy
Acting Director
Enforcement and Compliance Assurance Division
