Re: Proposed Administrative Order and Non-Issuance of the Final Administrative Order
Well Number: 1B
EPA Inventory ID: OS1928000
Docket Number: SDWA-06-2021-1110

Dear Mr. Brown:

As you are aware, on August 31, 2021, the U.S. Environmental Protection Agency (EPA) emailed you a Safe Drinking Water Act (SDWA) Proposed Administrative Order to address specific SDWA violations. After receipt of the EPA correspondence, you addressed the violations specified in the Proposed Administrative Order; therefore, EPA shall not issue the corresponding Final Administrative Order. Thank you for your attention to this matter. If you have any questions, please contact Jeanne Eckhart of my staff, at 214-665-8174.

Sincerely,

Bryant Smalley
Chief
Water Enforcement Branch
