ORDER GRANTING EXTENSION OF  
ALTERNATIVE DISPUTE RESOLUTION PROCESS

On October 26, 2010, Respondent filed a Motion for a 30-day extension of the Alternative Dispute Resolution Process. Complainant is in the process of verifying that Respondent is in compliance with UST regulations and requires additional time to respond to Respondent's offer of settlement. The ADR process in this proceeding expired on November 3, 2010 and it is likely that extension of the ADR process will result in a settlement. For good cause shown, the time period provided for ADR is extended to and including December 3, 2010

Dated this 5<sup>th</sup> day of November 2010.
