**Order Regarding EPA Motion to Toll Time to File Answer  
and Motion for Additional Information**

Respondent has filed an Application for Attorney's Fees and Costs under the Equal Access to Justice Act (EAJA). In response, EPA has since filed a Motion to toll the time to file an answer to the application along with a motion for additional information. A conference call was convened to discuss the motions with the parties. Pursuant to that call, Respondent stated that it does not oppose either motion. Regarding the motion to toll the time for an answer, it was agreed that EPA's answer will be filed within three (3) weeks following receipt of the information sought in its motion for additional information. Accordingly, the motions have been resolved, as reflected in this Order.
