II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA or Agency), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. 15. Pursuant to Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), except as provided by Section 12(b) of FIFRA, 7 U.S.C. § 136j(b), it is unlawful for any person in any State to distribute or sell to any person any device that is misbranded.

19. Pursuant to 40 C.F.R. § 152.500(b)(5), a device is subject to the requirements set forth in Sections 12, 13, and 14 of FIFRA, 7 U.S.C. §§ 136j, 136k, and 136l, with respect to violations, enforcement activities, and penalties.

22. Section 14(a) of FIFRA, 7 U.S.C. § 136l(a), in conjunction with 40 C.F.R. Part 19, Adjustments of Civil Monetary Penalties for Inflation, authorizes the assessment of a civil penalty for violations of the Act.

IV. FINDINGS OF FACT

23. Respondent is a "person" as defined in Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and as such is subject to FIFRA and the regulations promulgated thereunder.
24. On January 6, 2022, an inspector for the Florida Department of Agriculture and Consumer Services, acting as an authorized representative of the EPA, attempted to conduct an inspection at Respondent's facility located at 13995 Pasteur Boulevard Palm Beach, Florida 33148.
25. On January 20, 2022, Respondent agreed to provide certain FIFRA documentation and records to the EPA.
26. On February 18, 2022, Respondent provided the EPA with photographs of the label, labeling,

domestic distribution details, and other information relevant to the sale or distribution, including importation, of the Whole Home Germicidal Air Purifier, also known as the Infinity Air Purifier.

27. In response to a request from the EPA in November 2024, on December 18, 2024, Respondent supplemented its response with photographs of the Whole Home Germicidal Air Purifier label and the installation instructions (labeling) which were included in the packaging of the Whole Home Germicidal Air Purifier.
28. Upon review of the label and labeling for the Whole Home Germicidal Air Purifier, the EPA observed the following claims:
 - a) “proven to remove and kill airborne germs and allergens, including viruses and bacteria;”
 - b) “provides extremely high filtration performance while killing captured contaminants, including viruses and bacteria;” and
 - c) “captured particles are killed by electrical current flow and ion bombardment.”
29. Based on the claims observed on the label and labeling, the Whole Home Germicidal Air Purifier is an instrument or contrivance intended to trap, destroy, repel, or mitigate pests, and is therefore a device as that term is defined in Section 2(h) of FIFRA, 7 U.S.C. § 136(h), and 40 C.F.R. § 152.500(a).
30. Based on the EPA’s review, the claims included on the label and labeling for the Whole Home Germicidal Air Purifier are false or misleading statements concerning the effectiveness of the product as a device pursuant to Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(a), and 40 C.F.R. § 156.10(a)(5)(ii), as the claims are generic and do not specify the specific pest(s) species against which the device has been proven to be effective .
31. In response to a request from the EPA in November 2024, on December 18, 2024, Respondent provided the EPA with the Entry Numbers for the Whole Home Germicidal Air Purifiers that had been imported through the ports of Memphis, Tennessee and Houston, Texas on multiple occasions between January 2020 and November 2023. Based on a review of the entries, on multiple occasions, Respondent or Respondent’s agent failed to submit Notices of Arrival (NOA) [EPA Form 3540-1] or its electronic alternative prior to the arrival of the devices into the United States.

V. ALLEGED VIOLATIONS

32. The EPA alleges that Respondent violated Section 12(a)(1)(F) of FIFRA, 7 U.S.C. § 136j(a)(1)(F), by selling or distributing a misbranded device on multiple occasions between January 2020 and November 2023, as outlined in Section IV of this CAFO,
33. The EPA alleges that Respondent violated Section 12(a)(2)(N) of FIFRA, 7 U.S.C. § 136j(a)(2)(N), by failing to file a NOA or its electronic equivalent on multiple occasions between January 2020 and November 2023, as outlined in Section IV of this CAFO,

 - (b) acknowledges that this CAFO constitutes an enforcement action for purposes of considering Respondent's compliance history in any subsequent enforcement actions;
 - (c) waives any right it may possess at law or in equity to challenge the authority of the EPA to bring a civil action in a United States District Court to compel compliance with the CAFO, and to seek an additional penalty for such noncompliance, and agrees that federal law shall govern in any such civil action;
 - (d) by executing this CAFO, certifies to the best of its knowledge that Respondent is currently in compliance with all relevant requirements of FIFRA and its implementing regulations, and that all violations alleged herein, which are neither admitted nor denied, have been corrected;

(g) agrees to comply with the terms of this CAFO.

37. In accordance with 40 C.F.R. § 22.5, the individuals named in the Certificate of Service are authorized to receive service related to this proceeding and the Parties agree to receive service by electronic means.

VII. TERMS OF PAYMENT

38. Respondent consents to the payment of a civil penalty, which was calculated in accordance with the Act, in the amount of **THREE HUNDRED SEVENTY-THOUSAND DOLLARS (\$370,000.00)**, which is to be paid within thirty (30) days of the Effective Date of this CAFO.
39. Respondent shall pay the civil penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the following EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions, see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>. In addition, Respondent shall identify every payment with Respondent's name and the docket number of this CAFO, Docket No. **FIFRA-04-2025-3022(b)**.
40. Respondent shall send proof of payment, within twenty-four (24) hours of payment of the civil penalty, to:

Regional Hearing Clerk
R4_Regional_Hearing_Clerk@epa.gov

and

Deborah Ortiz
Enforcement and Compliance Assurance Division
Chemical Safety and Land Enforcement Branch
ortiz.deborah@epa.gov

and

U.S. Environmental Protection Agency
Cincinnati Finance Center
CINWD_AcctsReceivable@epa.gov

41. "Proof of payment" means, as applicable, confirmation of credit card or debit card payment, confirmation of wire or automated clearinghouse transfer, and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due, and identified with Respondent's name and Docket No. **FIFRA-04-2025-3022(b)**.
42. Interest, Charges, and Penalties on Late Payments. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the entire unpaid balance of the civil penalty and all accrued interest shall become immediately due and owing, and the EPA is authorized to recover the following amounts.

- (a) Interest. Interest will begin to accrue from the Effective Date of this CAFO. If the civil penalty is paid in full within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue until any unpaid portion of the civil penalty as well as any interest, penalties, and other charges are paid in full. To protect the interests of the United States, the rate of interest is set at the IRS large corporate underpayment rate, as any lower rate would fail to provide Respondent adequate incentive for timely payment.
- (b) Handling Charges. Respondent will be assessed monthly a charge to cover the EPA's costs of processing and handling overdue debts.
- (c) Late Payment Penalty. A late payment penalty of six percent (6%) per annum will be assessed monthly on all debts, including any portion of the civil penalty, interest, penalties, and other charges that remain delinquent more than ninety (90) days.

43. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the civil penalty, interest, or other charges and penalties per this CAFO, the EPA may take additional actions. Such actions the EPA may take include, but are not limited to, the following:

- (a) refer the debt to a credit reporting agency or a collection agency (see 40 C.F.R. §§ 13.13 and 13.14);
- (b) collect the debt by administrative offset (i.e., the withholding of money payable by the United States government to, or held by the United States government for, a person to satisfy the debt the person owes the United States government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (see 40 C.F.R. Part 13, Subparts C and H);
- (c) suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (see 40 C.F.R. § 13.17); and/or
- (d) request that the Attorney General bring a civil action in the appropriate district court to recover the amount assessed pursuant to Section 14(a)(5) of FIFRA, 7 U.S.C. § 136/(a)(5).

44. Allocation of Payments. Pursuant to 31 C.F.R. §901.9(f) and 40 C.F.R. § 13.11(d), a partial payment of a debt will be applied first to outstanding handling charges, second to late penalty charges, third to accrued interest, and last to the principal that is the outstanding civil penalty amount.

45. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, the EPA is required to send a completed Form 1098-F ("Fines, Penalties, and Other Amounts") to the Internal Revenue Service (IRS) annually with respect to any court order and settlement agreement (including administrative settlements), that requires a payor to pay an aggregate amount that the EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor's violation of any law or the investigation or inquiry into the payor's potential violation of any law, including amounts paid for "restitution or

remediation of property” or to come “into compliance with a law.” The EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (for example, a copy of Form 1098-F). In order to provide the EPA with sufficient information to enable it to fulfill these obligations, the EPA herein requires, and Respondent herein agrees, that:

- (a) Respondent shall complete a Form W-9 (“Request for Taxpayer Identification Number and Certification”), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;
- (b) Respondent shall therein certify that its completed Form W-9 includes Respondent’s correct Tax Identification Number (TIN) or that Respondent has applied and is waiting for issuance of a TIN;
- (c) Respondent shall email its completed Form W-9 to the EPA’s Cincinnati Finance Center Region 4’s contact, Jessica Henderson (Henderson.Jessica@epa.gov), on or before the date that Respondent’s initial penalty payment is due, pursuant to Paragraph 38 of this CAFO, and the EPA recommends encrypting Form W-9 email correspondence; and
- (d) In the event that Respondent has certified in its completed Form W-9 that it has applied for a TIN and that TIN has not been issued to Respondent by the date that its initial penalty payment is due, then Respondent, using the same email address identified in the preceding sub-paragraph, shall further:
 - i) notify EPA’s Cincinnati Finance Center of this fact, via email, by the date that Respondent’s initial penalty payment is due; and
 - ii) provide EPA’s Cincinnati Finance Center with Respondent’s TIN, via email, within five (5) days of Respondent’s issuance and receipt of the TIN.
- (e) Failure to comply with providing Form W-9 or TIN may subject Respondent to a penalty. See 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1.

46. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

VIII. EFFECT OF CAFO

- 47. In accordance with 40 C.F.R. § 22.18(c), Respondent’s full compliance with this CAFO shall only resolve Respondent’s liability for federal civil penalties for the violations and facts specifically alleged above.
- 48. In accordance with 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall satisfy the requirements of this CAFO; but shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
- 49. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 14(a) of the Act, 7 U.S.C. § 136l(a), as well as criminal sanctions as provided in Section

14(b) of the Act, 7 U.S.C. § 136/(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

50. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of FIFRA and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
51. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
52. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
53. The provisions of this CAFO shall apply to and be binding upon Respondent and its successors and assigns. Respondent shall direct its officers, directors, employees, agents, trustees, and authorized representatives to comply with the provisions of this CAFO.
54. Any change in the legal status of Respondent will not in any way alter Respondent's obligations and responsibilities under this CAFO.
55. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
56. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
57. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
58. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
59. The EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil

penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.

60. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
61. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

IX. EFFECTIVE DATE

62. This CAFO shall become effective upon execution of the Final Order by the Regional Judicial Officer on the date of filing with the Regional Hearing Clerk.
