Revival Animal Health, Inc.

Respondent

**UNOPPOSED MOTION FOR EXTENSION OF TIME
TO FILE AN ANSWER AND REQUEST FOR HEARING**

Pursuant to 40 C.F.R. §22.16 of the Consolidated Rules of Practice, respondent Revival Animal Health, Inc., by and through its counsel of record, hereby moves for an extension of time of thirty (30) days to and including November 30, 2007 to file an answer and request for hearing with respect to the Complaint and Notice of Opportunity for Hearing filed by the United States Environmental Protection Agency, Region VII ("USEPA Region VII").

In support hereof, respondent would show (1) that the time originally prescribed for respondent to file an answer and request for hearing has not yet expired, said answer and request currently being due from respondent on or before October 31, 2007; (2) no prior extension of time has been requested by or granted to respondent for the answer and request; (3) respondent's counsel Richard L. Green has conferred with USEPA Region VII Assistant Regional Counsel Ms. Jennifer Trotter, who stated that USEPA does not oppose the 30-day extension of time to file an answer and request, and (4) due to the fact that respondent's counsel has only recently been retained for this matter, the additional thirty days is necessary for respondent to review this matter and complete an answer and request.
