Closure of Notice of Violation

Docket No. SDWA-08-2009-0018
Lincoln Pit Stop Public Water System
PWS ID# MT0003829

Dear Mr. Opper:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation, Docket No. SDWA-08-2009-0018, sent to you by EPA on November 19, 2008 regarding the Lincoln Pit Stop water system. On April 2, 2009, the Montana Department of Environmental Quality was notified by the water system of a change of ownership and relayed that information to EPA; therefore EPA will take no further enforcement action for Lincoln Pit Stop at this time. I would like to thank you and your staff for their assistance in this matter.

Sincerely,

Julie DalSoglio, Director
