Re: Administrative Order Addendum, Teton Shadows Homeowners Association, Inc. Public Water System, PWS ID # WY5600724, Docket No. SDWA-08-2013-0031

Dear Mr. Myers:

This addendum to the Administrative Order (Order) issued June 3, 2013, to the Teton Shadows Homeowners Association, Inc. (HOA), serves to incorporate into the Order the deadline of November 30, 2014, for the HOA to submit a compliance plan and schedule for bringing the Teton Shadows Homeowners Association, Inc. Public Water System into compliance with the Surface Water Treatment Rule (SWTR) or to connect to an alternate source of water that is not subject to the SWTR requirements. This time will allow the newly hired engineering firm to develop the timeline for completion of the project. This new deadline will be an enforceable part of the Order.

If an unexpected and extraordinary event beyond the HOA's control occurs that provides reasonable cause to expect that the HOA will be unable to meet the November 30, 2014, deadline for submitting a new schedule, the EPA may, in its discretion, consider granting an extension. Such consideration, however, is conditioned upon the HOA shall providing the EPA with notice of the event upon discovery and following such notice with a timely written extension request sent to the EPA well in advance of the affected deadline date. The request must include: a description of the work that has been completed and the additional work that may not be completed by the deadline date; the unexpected event that has occurred or may occur; how the HOA has proactively anticipated obstacles; the HOA's best efforts to overcome these obstacles; and proposed new deadline dates with justification for the length of the proposed new deadlines.

Please be advised that the HOA is required to comply with all provisions of the Order. Penalties for failing to comply are set forth in the Order. Please contact Olive Hofstader at (800) 227-8917, extension 6467, or (303) 312-6467 or via email at hofstader.olive@epa.gov if you have any questions concerning this Addendum. If you have legal questions and are represented by an attorney, please ask your attorney to contact Mia Bearley at the above 800 number, extension 6554, or at (303) 312-6554 or via email at bearley.mia@epa.gov.
