I. STATUTORY AUTHORITY

1. Pursuant to Section 309(g) of the Clean Water Act (CWA or Act), 33 U.S.C. § 1319(g), the Administrator of the United States Environmental Protection Agency (EPA) is authorized to assess administrative penalties against persons who violate Section 301(a) of the Act, 33 U.S.C. § 1311(a). The Administrator of EPA has delegated this authority to the Regional Administrator of EPA, Region III, who in turn has delegated this authority to the Director, Environmental Assessment and Innovation Division (“Complainant”).

RESPONSE: The allegations in Paragraph 1 of the Complaint merely characterize the nature of Complainant’s claims, and although no admission or denial is required, Respondent denies the allegations in Paragraph 1.

2. This action is governed by the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits; Final Rule,” 40 C.F.R. Part 22 (hereinafter, Consolidated Rules), a copy of which is enclosed.

Re Blake Fork, Middle Fork, Lynn Camp Run

RESPONSE: Complainant admits that the Consolidated Rules govern this action. Complainant denies the remainder of the allegations in Paragraph 2, including receiving a copy of the Consolidated Rules with this Complaint.

II. FACTUAL AND LEGAL ALLEGATIONS

3. Respondent Columbia Gas Transmission, LLC is a “person” within the meaning of Section 502(5) of the CWA, 33 U.S.C. § 1362(5).

RESPONSE: Respondent admits that it is a “person” within the meaning of Section 502(5) of the CWA, 33 U.S.C. § 1362(5).

4. Respondent, Columbia Gas Transmission, LLC, utilized equipment and conducted work in Blake Fork, Middle Fork Lynn Camp Run, and Lynn Camp Run, in New Martinsville, Wetzel County, West Virginia, identified as “the Sites” on the attached map labeled Exhibit “A”.

RESPONSE: Respondent admits that it retained an independent contractor, Ellison Dozer Service, Inc., Rt. 1 Box 118N 10, Elizabeth, WV 26143, to perform road maintenance work near Blake Fork, Middle Fork Lynn Camp Run, and Lynn Camp Run, but denies the remainder of the allegations of Paragraph 4. Further answering, the affected areas were all on the county road or directly adjacent to the county road.

5. Blake Fork flows to Lynn Camp Run. Lynn Camp Run flows to Fish Creek, and then to the Ohio River, a navigable-in-fact body of water. Blake Fork is “waters of the United States” within the meaning of Section 502(7) of the Act, 33 U.S.C. § 1362(7); 40 C.F.R. § 232.2; 40 C.F.R. § 122.2.

RESPONSE: Respondent admits the factual allegations of Paragraph 5 but neither admits nor denies the legal conclusions concerning navigability, and therefore denies them.

6. Middle Fork Lynn Camp Run flows to Lynn Camp Run. Lynn Camp Run flows to Fish Creek, and then to the Ohio River, a navigable-in-fact body of water. Middle Fork Lynn Camp Run is “waters of the United States” within the meaning of Section 502(7) of the Act, 33 U.S.C. § 1362(7); 40 C.F.R. § 232.2; 40 C.F.R. § 122.2.

RESPONSE: Respondent admits the factual allegations of Paragraph 6 but neither admits nor denies the legal conclusions concerning navigability, and therefore denies them.

Re Blake Fork, Middle Fork, Lynn Camp Run

7. Lynn Camp Run flows to Fish Creek, and then to the Ohio River, a navigable-in-fact body of water. Lynn Camp Run is “waters of the United States” within the meaning of Section 502(7) of the Act, 33 U.S.C. § 1362(7); 40 C.P.R. § 232.2; 40 C.F.R. § 122.2.

RESPONSE: Respondent admits the factual allegations of Paragraph 7 but neither admits nor denies the legal conclusions concerning navigability, and therefore denies them.

8. Respondent, or persons acting on behalf of Respondent, operated equipment which discharged dredged and/or fill material to waters of the United States described in Paragraphs 5-7 above, and further depicted on Exhibit “A”, attached hereto. Respondent’s activities included filling portions of stream channels with gravel and cobble for construction of roads.

RESPONSE: Respondent denies that the work performed on behalf of Respondent by Ellison Dozer was for the purpose of constructing a road; rather, the road was a pre-existing, poorly maintained county road. Respondent admits that Ellison Dozer, while conducting road maintenance work contracted by Respondent in a rural wooded area where streams repeatedly crossed the road, inadvertently allowed gravel to enter the streams in areas where the streams crossed the road. Respondent denies the remaining allegations of Paragraph 8.

9. The term “fill material” within the meaning of 40 C.F.R. § 232.2, includes any pollutant which replaces portions of “waters of the United States” with dry land or which changes the bottom elevation of a water body for any purpose.

RESPONSE: Paragraph 9 purports to state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

10. The equipment referenced in Paragraph 4, above, which has discharged dredged and/or fill material to “waters of the United States”, constitutes a “point source” within the meaning of Section 502(14) of the Act, 33 U.S.C. § 1362(14).

RESPONSE: Paragraph 10 purports to state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

11. Section 301(a) of the Act, 33 U.S.C. § 1311(a), prohibits the discharge of dredged and/or fill material by any person from point sources to “waters of the United States” except in compliance with a permit issued by the Secretary of the Army under Section 404 of the Act, 33 U.S.C. § 1344.

Re Blake Fork, Middle Fork, Lynn Camp Run

RESPONSE: Paragraph 11 purports to state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied. Further answering, Respondent reasonably believed that any work would have impacted less than 1/10th of an acre and was covered by Nationwide Permit 12.

12. On information and belief, at no time during the discharge of dredged and/or fill material to the “waters of the United States” located on the Sites did the Respondent have a permit from the Secretary of the Army as required by Section 404 of the Act, 33 U.S.C. § 1344.

RESPONSE: Upon discovery that Ellison Dozer had not followed oral instructions and had inadvertently allowed gravel to enter the streams that crossed the county road, Respondent admits that it attempted to obtain an “after-the-fact” permit from the Army Corps of Engineers for the road maintenance performed under contract by Ellison Dozer. Also after discovering the gravel, Respondent asked for and received a Stream permit from the State of West Virginia. The remainder of Paragraph 12 purports to state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

III. FINDINGS OF VIOLATIONS

13. The allegations in Paragraphs 1-12 are incorporated as if repeated and reasserted.

RESPONSE: The responses to Paragraphs 1-12 are incorporated as if repeated and reasserted.

14. Respondent, by discharging dredged and/or fill material to the “waters of the United States” without authorization, has violated Section 301(a) of the Act, 33 U.S.C. § 1311(a).

RESPONSE: Paragraph 14 purports to state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

IV. PROPOSED CIVIL PENALTY

15. Section 309(g)(2)(B) of the CWA, 33 U.S.C. § 1319(g)(2)(B), provides that any person who has violated, *inter alia*, Section 301 of the CWA (33 U.S.C. § 1311) is liable for an administrative penalty not to exceed \$10,000 per day for each such violation, up to a total penalty amount of \$125,000.

RESPONSE: Paragraph 15 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

16. Pursuant to the subsequent Civil Monetary Penalty Inflation Adjustment Rule, 40 C.F.R. Part 19 (effective January 12, 2009), any person who has violated, *inter alia*, Section 301 of the CWA (33 U.S.C. § 1311) after January 12, 2009 is liable for an administrative penalty not to exceed \$16,000 per day for each such violation occurring after January 12, 2009, up to a total penalty amount of \$177,500.

RESPONSE: Paragraph 16 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

17. Based upon the foregoing allegations, and pursuant to the authority of Section 309(g)(2)(B) of the CWA, 33 U.S.C. § 1319(g)(2)(B), and in accordance with the Part 22 Procedural Rules, Complainant hereby proposes to issue a Final Order Assessing Administrative Penalties to the Respondent in the amount of Eighty-thousand dollars (\$80,000) for the violations alleged herein. This does not constitute a “demand” as that term is defined in the Equal Access to Justice Act, 28 U.S.C. § 2412.

RESPONSE: Paragraph 17 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

18. The proposed penalty was determined after taking into account the nature, circumstances, extent and gravity of the violation, Respondent’s prior compliance history, ability to pay the penalty, the degree of culpability for the cited violations, and any economic benefit or savings to Respondent because of the violations. 33 U.S.C. § 1319(g)(3). In addition, to the extent that facts or circumstances unknown to Complainant or EPA at the time of issuance of this Complaint become known after issuance of this Complaint, such facts or circumstances may also be considered as a basis for adjusting the proposed administrative penalty.

RESPONSE: Paragraph 18 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

Further answering, Respondent reported the actions promptly upon discovery to the appropriate regulators, and, upon Complainant’s approval, mitigated the damage by promptly removing the

gravel from the affected county roads. Further, the county and residents along the county road received the benefit of a sturdier road, without expenditure of tax funds. In addition, the Complainant has improperly bifurcated a single set of acts, presumably to increase the penalty obtained.

19. EPA may issue the Final Order Assessing Administrative Penalties after a thirty (30) day comment period unless Respondent either responds to the allegations in the Complaint and requests a hearing according to the terms of Section V, below, or pays the civil penalty in accordance with Section VI herein (Quick Resolution).

RESPONSE: Paragraph 19 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

20. If warranted, EPA may adjust the proposed civil penalty assessed in this Complaint. In so doing, the Agency will consider any number of factors in making this adjustment, including Respondent's ability to pay. However, the burden of raising the issue of an inability to pay and demonstrating this fact rests with the Respondent.

RESPONSE: Paragraph 20 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

21. Neither assessment nor payment of an administrative civil penalty pursuant to Section 309 of the CWA, 33 U.S.C. § 1319, shall affect Respondent's continuing obligation to comply with the Clean Water Act, any other Federal or State laws, and/or with any separate Compliance Order issued under Section 309 of the Act, 33 U.S.C. § 1319, for the violations alleged herein.

RESPONSE: Paragraph 21 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

V. ANSWER TO COMPLAINT AND OPPORTUNITY TO REQUEST HEARING

22. Respondent must file an Answer to this Complaint; failure to file an Answer may result in entry of a Default Judgment against Respondent. Respondent's default constitutes a binding admission of all allegations made in the Complaint and waiver of Respondent's right to a Hearing under the CWA. The civil penalty proposed herein shall then become due and payable upon issuance of the Default Order as provided in 40 C.F.R. § 22.17(d).

RESPONSE: Paragraph 22 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

23. Respondent's failure to pay the entire penalty assessed by the Default Order by its due date will result in a civil action to collect the assessed penalty, plus interest, attorney's fees, costs, and an additional quarterly nonpayment penalty pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9). In addition, a Default Penalty is subject to the provisions relating to imposition of interest, penalty and handling charges set forth in the Federal Claims Collection Act at the rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717.

RESPONSE: Paragraph 23 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

24. Any Answer must clearly and directly admit, deny, and/or explain each of the factual allegations contained in the Complaint with respect to which the Respondent has any knowledge, or clearly and directly state that the Respondent has no knowledge as to particular factual allegations in the Complaint. The Answer shall also indicate the following:

- a. Specific factual and legal circumstances or arguments which are alleged to constitute any grounds of defense;
- b. Specific facts that Respondent disputes;
- c. Respondent's basis for opposing the proposed penalty; and
- d. Whether Respondent requests a hearing.

Failure to admit, deny or explain any of the factual allegations in the Complaint constitutes admission of such allegations.

RESPONSE: Paragraph 24 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

25. Pursuant to Section 309(g)(2)(B) of the Act, 33 U.S.C. § 1319(g)(2)(B), and 40 C.F.R. § 22.15, Respondent may request a hearing on the proposed civil penalty within thirty (30) days of receiving this Complaint.

RESPONSE: Paragraph 25 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

26. EPA is obligated, pursuant to Section 309(g)(4)(A) of the Act, 33 U.S.C. § 1319(g)(4)(A), to give members of the public notice of and an opportunity to comment on this proposed penalty assessment.

RESPONSE: Paragraph 26 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

27. If Respondent requests a hearing on this proposed penalty assessment, members of the public who submitted timely comments on this proposed penalty assessment will have a right under Section 309(g)(4)(B) of the Act, 33 U.S.C. § 1319(g)(4)(B), to not only be notified of the hearing but also to be heard and to present evidence at the hearing on the appropriateness of this proposed penalty assessment.

RESPONSE: Paragraph 27 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

28. If Respondent does not request a hearing, EPA will issue a Final Order Assessing Administrative Penalties, and only members of the public who submit timely comments on this proposal will have an additional thirty (30) days to petition EPA to set aside the Final Order Assessing Administrative Penalties and to hold a hearing thereon. 33 U.S.C. § 1319(g)(4)(C). EPA will grant the petition and will hold a hearing if the petitioner's evidence is material and was not considered by EPA in the issuance of the Final Order Assessing Administrative Penalties.

RESPONSE: Paragraph 28 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

29. Any hearing that Respondent requests will be held and conducted in accordance with the Consolidated Rules, 40 C.F.R. Part 22.

RESPONSE: Paragraph 29 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

30. At such a hearing, Respondent may contest any material fact contained in the Factual and Legal Allegations listed in Section II above, the Findings listed in Section III, above, and the appropriateness of the amount of the proposed civil penalty in Section IV, above.

RESPONSE: Paragraph 30 purports to describe a legal process or state a legal conclusion, which does not require an admission or denial, and therefore is deemed denied.

31. Any Answer to this Complaint, and any Request for Hearing, must be filed within thirty (30) days of receiving this Complaint with the following:

AFFIRMATIVE DEFENSES

Defense 1: The claims are barred, in whole or in part, because they are too vague to determine the nature and scope of the alleged violations.

Defense 2: The claims are barred, in whole or in part, because the CWA, implementing regulations and agency guidance, if relevant, did not provide and has not provided fair notice of the interpretations of law now advanced in the Complaint. Accordingly, Complainant's efforts to retroactively enforce those interpretations deprive Respondent of Due Process of law and Equal Protection of the laws as guaranteed by the 5th and 14th Amendments to the Constitution of the United States and the Administrative Procedure Act, 5 U.S.C. § 551 et seq.

Defense 3: The fines and forfeitures sought by Complainant in this case fail to bear a relationship to the gravity of the alleged offenses and are grossly disproportional. Respondent promptly reported the actions and promptly moved to mitigate any damage. Complainant has divided the allegations into two complaints for the same set of actions, resulting in an improper application of the penalty matrix. For these and other reasons, Respondent unlawfully seeks to impose an excessive fine in violation of the 8th Amendment to the Constitution of the United States.

Defense 4: The claims fail, in whole or in part, because the alleged actions fall within one or more Nationwide Permits that required no separate notification.

Defense 5: The wrongful actions were those of an independent contractor, not Respondent's actions.
