Re: Cypress Pointe A site, Laurel, Delaware, 19956
Administrative Order for Compliance
CWA-03-2022-0059DN

Dear Ms. Horsey:

The United States Environmental Protection Agency, Region III ("EPA") has reviewed the compliance of Top Drawer, LLC ("Respondent") with the Administrative Order for Compliance ("Order"), referenced above, which was issued to the Respondent and filed on April 26, 2022. The Order required that the Respondent implement site corrections and provide documentation of corrections to EPA. Based on EPA's review, the Respondent has complied with all actions required by the Order, and EPA is therefore terminating the Order.

Please note that Respondent must continue to comply with any applicable Clean Water Act ("CWA") requirements and applicable National Pollutant Discharge Elimination System ("NPDES") permit(s). Any noncompliance with the CWA or a current or future NPDES permit could result in the initiation of an additional enforcement action pursuant to the federal enforcement provisions set forth in Section 309 of the CWA, 33 U.S.C. § 1319. You are therefore encouraged to pay close attention to all permit conditions at all times, and to maintain any plans or Standard Operating Procedures ("SOPs") to assure compliance.

Thank you for your cooperation in this matter. If you have any questions, please contact Mike Greenwald of my staff at 215-814-2398 or greenwald.michael@epa.gov, or have your attorney contact Natalie Katz, Senior Assistant Regional Counsel, at 215-814-2615 or katz.natalie@epa.gov.

Sincerely,

Richard A. Rogers, Chief
Water Branch
Enforcement and Compliance Assurance Division
