STATUS REPORT

In accordance with the Order ReScheduling Status Reports dated July 30, 2010 issued by Administrative Law Judge Barbara A. Gunning, the presiding officer in this case, counsel for Complainant submits the following status report.

The parties have an agreement in principle to settle this case. Since the first status report, Respondent has submitted additional proposals for Supplemental Environmental Projects that were reviewed and commented upon by the Region, but some particulars remain to be worked out. It is expected that agreement will be reached on the SEPs and the outlines of a settlement document by the time the next status report is due.

Sincerely,

Stuart N. Keith
Counsel for Complainant
