Re: Notice of Violation Closure
Diamond Ranch Academy
Docket No. SDWA-08-2007-0047
PWS# UTAH27088

Dear Mr. Bousfield:

This letter is to inform you of the decision of the U.S. Environmental Protection Agency to close the Notice of Violation issued April 23, 2007, relative to violations of the Safe Drinking Water Act and its implementing regulations by the Diamond Ranch Academy. This decision is based on the information provided by your office that the system has returned to compliance with all drinking water regulatory requirements and hired a new operator in March 2007 so future compliance is expected.

We appreciate your cooperation. If you have any questions regarding this matter, please contact Kathelene Brainich, Environmental Protection Specialist, at (303) 312-6481.

Sincerely,

Lisa Kahn, Team Lead
