CONSENT AGREEMENT

Docket No. CWA-08-2016-0010

Region 8 of the United States Environmental Protection Agency (EPA) and Field #4, LLC and Constructors West, Inc. (Respondents), by their undersigned representatives, agree as follows:

1. On July 27, 2016, the EPA issued a Complaint and Notice of Opportunity for Hearing (Complaint) alleging that the Respondents violated section 301(a) of the Clean Water Act (Act), 33 U.S.C. § 1311(a), by discharging storm water from a residential subdivision construction site in Grand Junction, Colorado, into waters of the United States without a permit. The Complaint proposed that the Respondents pay a civil administrative penalty for their violations, pursuant to section 309(g) of the Act, 33 U.S.C. § 1319(g).

2. The Respondents admit the jurisdictional allegations of the Complaint and neither admit nor deny the specific factual allegations of the Complaint.

3. The Respondents consent to the assessment of the penalty referenced in paragraph 5, below. The Respondents waive their rights to contest the allegations in the Complaint and to appeal any final order (Final Order) that an EPA Regional Judicial Officer may issue to approve this consent agreement (Agreement).

4. This Agreement, upon incorporation into a Final Order, is binding upon the EPA, the Respondents, and the Respondents' successors and assigns. Any change in ownership or corporate

status of either Respondent, including, but not limited to, any transfer of assets or real or personal property, shall not alter that Respondent's responsibilities under this Agreement.

5. The Respondents agree to pay a civil administrative penalty in the amount of fifteen thousand dollars (\$15,000) in the manner described below:

- a. Payment shall be in a single payment of \$15,000, due no later than 30 calendar days from the date of the Final Order. If the due date for the payment falls on a weekend or federal holiday, then the due date is the next business day. The date the payment is made is considered to be the date processed by U.S. Bank, as described below. Payment must be received by 11:00 a.m. Eastern Standard Time to be considered as received that day.
- b. The payment shall be made by remitting a check or making a wire transfer or on-line payment. The check or other payment shall designate the name and docket number of this case, be in the amount stated in part "a," above, and be payable to "Treasurer, United States of America." The payment shall be sent as follows:

If sent by regular U.S. mail:

- c. If the payment is not received by the specified due date, interest accrues from the date of the Final Order, not the due date, at a rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717, and will continue to accrue until payment in full is received (e.g., on the 1st late day, 30 days of interest will have accrued).
- d. A handling charge of fifteen dollars (\$15) shall be assessed the 31st day from the date of the Final Order, and for each subsequent 30-day period that the debt, or any portion

thereof, remains unpaid. In addition, a 6% per annum penalty shall be assessed on any unpaid principal amount if payment is not received within 90 days of the due date. Payments are first applied to outstanding handling charges, second to penalty assessments, third to accrued interest, and then to the outstanding principal amount.

e. The Respondents agree that the penalty shall never be claimed as a federal or other tax deduction or credit.

6. Nothing in this Agreement shall relieve the Respondents of the duty to comply with the Act and any regulation, order, or permit issued pursuant to the Act.

7. Any failure by the Respondents to comply with this Agreement shall constitute a breach of this Agreement and may result in referral to the United States Department of Justice for enforcement of this Agreement and such other relief as may be appropriate.

8. Nothing in this Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as any failure by the Respondents to comply with this Agreement.

9. The undersigned representative of the Respondents certifies that he is fully authorized to enter into and bind the Respondent to this Agreement.

10. The parties agree to submit this Agreement to the appropriate EPA Regional Judicial Officer, with a request that it be incorporated into a Final Order.

11. Each party shall bear its own costs and attorney's fees in connection with this matter.

12. This Agreement, upon incorporation into a Final Order and full satisfaction by the parties, shall be a complete and full resolution of the Respondents' liability for federal civil penalties for the violations and facts alleged in the Complaint.
