Dear Mr. Doty:

This letter is to inform you of the U.S. Environmental Protection Agency's (EPA) decision to close the Order for Compliance, Docket No. CWA-08-2011-0036, issued to Septic Tank Cleaning Company, LLC (Septic Tank Cleaning) on September 27, 2011. The EPA has determined that Septic Tank Cleaning has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that Septic Tank Cleaning is still required to comply with the Clean Water Act (Act) and its implementing regulations, specifically the disposal of sewage sludge and regulations pursuant to section 405 of the Act, 33 U.S.C. § 1345, and found at 40 C.F.R. part 503. Violations of the Act may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.
