RE: BASF Corporation – SEP Completion Report

Dear Mr. Pflum:

The U.S. Environmental Protection Agency received BASF Corporation's Supplemental Environmental Project (SEP) Completion Report, required under paragraph 68 of the Consent Agreement and Final Order (CAFO) (Docket Nos. CERCLA-05-2017-0005, EPCRA-05-2017-0012, and MM-05-2017-0003), entered between EPA and BASF Corporation in March 2017. This SEP involved the purchase of emergency response equipment for the Wyandotte Fire Department. Pursuant to Paragraph 71 of the CAFO, this letter serves to notify you that EPA considers BASF Corporation to have satisfactorily completed the SEP (paragraphs 62 through 78) and SEP Completion Report.
