Good afternoon,

International Paper, the respondent to the unilateral order for the Southern Impoundment, San Jacinto River Waste Pits Superfund site, has requested a conference under the order (the request and a copy of the order are attached). Under paragraph 55 of the Order, the "conference shall be held no later than 7 days after the conference is requested." International Paper has requested that the conference be set for next Monday, which works for me and for the site Remedial Project Manager; we would prefer the afternoon time suggested by IP, but could make either morning or afternoon work.

Language specifying a virtual conference was added to the order. Please let me know what assistance I can provide in scheduling the conference.

Thank you.

Anne Foster
Assistant Regional Counsel
