)

The United States Environmental Protection Agency, Region 8 (EPA), by its undersigned attorney, with the concurrence of Mr. David McDermott, counsel for Cobb Mechanical Contractors, Inc., requests that an extension be granted so that Cobb Mechanical Contractors, Inc. will have until at least July 18, 2008 to file an answer in this matter. This motion is made pursuant to the Section 22.16 of the Consolidated Rules of Practice, 40 C.F.R. §22.16.

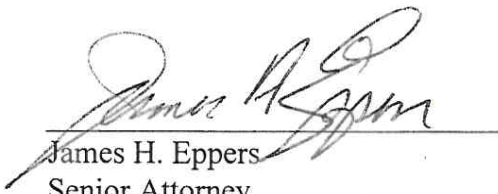

EPA requests that this motion be granted since EPA and Cobb Mechanical Contractors, Inc. have agreed, in principle, to settle this case and that EPA acknowledges that the Class V well at issue has been permanently closed. The deadline for Cobb Mechanical Contractors, Inc. to file and answer is on or around June 11, 2008.

The parties will use the additional time to work out the details of the settlement document.

Therefore, counsel for EPA, with the concurrence of Mr. McDermott, moves that an extension of time be granted for Cobb Mechanical Contractors, Inc. to file an answer until at least July 18, 2008.

RESPECTFULLY SUBMITTED this 6th day of June, 2008.
