Docket No. CWA-02-2009-3460

**ORDER GRANTING, IN PART, JOINT MOTION FOR CONTINUANCE**

The parties have filed a joint motion for a continuance, representing that they have “reached an agreement in principle . . . including the amount of a settlement payment . . . [and that the agreement] is dispositive of *all* matters asserted in the Complaint.” Motion at 1, (emphasis added). However, the parties have requested a stay of one quarter of a year (three months) to finalize a consent agreement and final order. The excessive time period is requested “[d]ue to the upcoming holidays.” Motion at 2. It is not reasonable to request such a lengthy stay. The holidays are over as of January 4<sup>th</sup> and only a few days in December are attributable to the holidays. Therefore, the finalized Consent Agreement and Final Order will be due by January 29<sup>th</sup>. This continuance affords the parties two months to conclude this matter, which is ample time.
