Re: Administrative Order Closure, West Winds Mobile Home Park Public Water System, PWS ID# WY5601619, Docket No. SDWA-08-2014-0051

Dear Messrs. Vukovich and Trefren:

This letter is to inform you of the Environmental Protection Agency's decision to close the Administrative Order (Order) issued to the West Winds Mobile Home Park Public Water System (System) on September 26, 2014. The EPA has determined that the System has complied with the requirements of the Order, including monitoring for disinfection byproducts and lead and copper in 2015. Therefore we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (Drinking Water Regulations), 40 C.F.R. part 141. Violation of the Drinking Water Regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Jill Minter at minter.jill@epa.gov or (303) 312-6084.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly Pardue Welch".
