ASSENTED-TO MOTION OF RESPONDENTS TO SET SINGLE RESPONSE DATE FOR THE COMPLAINT

Respondents move that the date on which their response to the complaint is due be set at August 26, 2008.

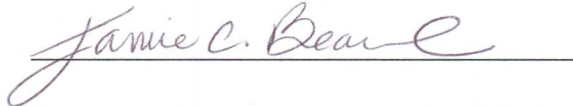

We were informed today that Complainant is still attempting to serve the last Respondent, and expects service to be complete within the next few days. Respondents note that because all Respondents intend to reply with a single document, granting this motion will not result in any delay of these proceedings, and will avoid the necessity of multiple responsive pleadings.

In further support of this motion, Respondents state that counsel for Complainant has assented to the relief requested in this motion.

Respectfully Submitted,

The Community Builders, Inc.
