RE: Closure of Emergency Administrative Order
Docket No. SDWA-08-2008-0096
PWS ID #5601602

Dear Mr. Ruby:

This letter is to inform you of the Environmental Protection Agency's (EPA's) decision to close the Emergency Order issued to you and JM Land & Developing Co. on August 27, 2008. This decision is based upon the improvements made to the system, safe weekly special purpose bacteriological samples taken during the month of October 2008, and safe monthly samples taken since November 2008. The Administrative Order issued to you, JM Land & Development Co., and Ridgeway Community Well on December 30, 2008, Docket No. SDWA-09-0023, remains in full force and effect.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141. Violation of the NPDWRs or an Administrative Order may result in a court-imposed injunction and penalties of up to \$37,500 per day of violation.

We appreciate your cooperation. If you have any questions regarding this matter, please contact Kathelene Brainich, Environmental Protection Specialist, at (303) 312-6481.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa Kahn".
