**RE: Oxford Aviation, Incorporated**  
**Docket Number: RCRA-01-2010-0039**

Dear Ms. Santiago:

Thank you for your previous consideration and extensions to the filing dates for an *Answer to the Administrative Complaint and Notice of a Hearing*.

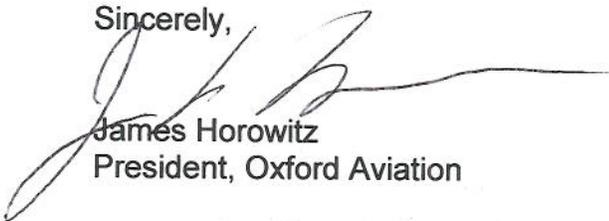

Since that time, Oxford Aviation has continued to work with Steven Schlang, Enforcement Counsel for the EPA and Mr. Meyer and we believe that we are moving towards an agreed settlement.

We have also provided financial materials to Ms. Medeiros regarding the Ability to Pay provisions and we believe this component is moving forward as well.

Mr. Schlang has asked that I advise you of his support for another extension, given the considerable efforts from both parties to reach a resolution without the need of a hearing.

Thank you in advance for your consideration and please feel free to contact me directly if you have any questions whatsoever.

Sincerely,

James Horowitz  
President, Oxford Aviation
