TSCA Appeal No. 14-01

ORDER ELECTING TO EXERCISE SUA SPONTE REVIEW

On April 3, 2014, the Regional Judicial Officer (“RJO”) for U.S. EPA Region 3 (the “Region”) issued an Initial Decision and Default Order (“Default Order”) in the above-captioned matter. The Default Order assesses a penalty of \$6,450 against Respondents -- James Ikegwu and Martha Ikegwu -- for alleged violations of section 409 of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a), section 1018(b)(5) of the Residential Lead-Based Paint Hazard Reduction Act (“RLBPHRA”), 42 U.S.C. § 4852d(b)(5), and its implementing regulations at 40 C.F.R. §§ 745.107(a)(2), (a)(4).

For the reasons that follow, the Environmental Appeals Board (“Board”) has decided to exercise *sua sponte* review, pursuant to 40 C.F.R. §§ 22.27(c)(4), .30(b).¹

¹ Under the regulations governing the administrative assessment of civil penalties, 40 C.F.R. pt. 22, the Board has 45 days after service of an initial decision to elect to exercise *sua sponte* review. 40 C.F.R. § 22.27(c). Since the Default Order was served on April 3, 2014, the Board has until May 18, 2014, to so decide.

During the week of May 5th, the Board received a verbal request from the Regional Hearing Clerk requesting that the Board return the administrative record of this case for further service of the Default Order. The Clerk of the Board informed the Regional Hearing Clerk that a formal written request was required in order to send the administrative record back to the Region. Such written request was not filed with the Board. The Board, therefore, proceeded with its examination of the Default Order to determine whether *sua sponte* review is warranted.

Examination of the record before the Board did not reveal a problem with service of the Default Order. The Default Order was served in accordance with 40 C.F.R. part 22, which requires that all orders, rulings, and decisions be served “personally, by first class mail (including by certified mail or return receipt requested, Overnight Express and Priority Mail) * * * or any reliable commercial delivery service.” 40 C.F.R. § 22.6. In this case, the Default Order was served via certified mail-return receipt requested to the same address where the complaint was filed. The record does not reflect a change of address initiated by Respondents. The record, however, shows two additional addresses for Respondents that the Region had been using to serve its motions. While service was proper under the rules, the fact that the Regional Hearing Clerk had expressed concerns about service and that this is a Default Order have prompted the Board to decide to give the Regional Hearing Clerk an opportunity to serve the Respondents at the other addresses as a courtesy.

The Region is now required to advise the Board of those efforts within 30 days of issuance of this order. The Board will then decide whether to review the Default Order *sua*
