Re: Closure of Administrative Order  
Docket No. SDWA-08-2010-0006  
Lance Creek Water and Sewer District  
PWS ID # WY5600109

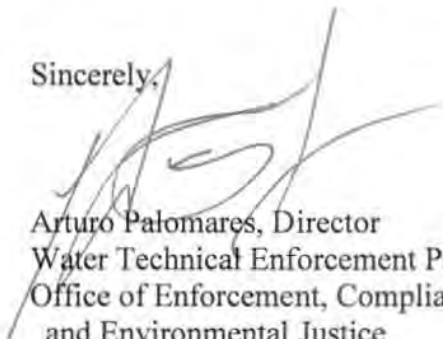

Dear Mr. Kremers:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2010-0006, issued on December 8, 2009. The EPA has determined that the Lance Creek Water and Sewer District (the District) has complied with the terms of the Order and therefore we will close it at this time. EPA's Administrative Order, Docket No. SDWA-08-2008-0064, issued to the District on June 9, 2008, remains in full force and effect.

Please be aware that the District is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515. Thank you for resolving these issues.

Sincerely,

  
Arturo Palomares, Director  
Water Technical Enforcement Program  
Office of Enforcement, Compliance  
and Environmental Justice
