Re: In the Matter of CT Transfer Company LLC
Docket No. TSCA-01-2009-0052

Dear Ms. Santiago:

CT Transfer met with representatives of EPA on August 18, 2009 to discuss resolution of the issues and settlement of the complaint against the company. The company has advised EPA that it will be submitting documentation to support a reduction in any penalty based upon the inability of the company to pay the proposed fines. The company requests an extension of an additional 30 days to answer the complaint, so that it can prepare and submit the ability to pay information, and so that EPA has sufficient time to evaluate that data, prior to the answer to the complaint being due. Mr. William Chin, counsel for EPA in this matter, has indicated that he is not opposed to the extension.

Thank you for your attention to this matter.

Sincerely,

W Spencer
