Mrs. Artemis,

I am writing you to tell you that everything on our violation letter from Mr. Wang, was done in a timely fashion. I have sent you proof to prove my case.

I admit we did everything that was required of us.

I oppose the proposed relief because we did everything in a timely fashion.

I am requesting a hearing to prove our innocence.

Thank you,

**The making of memories**

PHOTO BY [unreadable]

As a young boy, I spent many  
 hours in the back yard, building  
 forts and playing hide-and-seek.  
 It was a time of pure joy and  
 discovery. Now, as I look back  
 on those days, I realize how  
 important they were to my  
 development. It was there that I  
 learned the value of hard work  
 and the importance of family.  
 Those memories are a precious  
 part of who I am today.
