Re: Docket No. CAA-05-2019-0013 - Supplemental Environmental Project

Dear Mr. Mead:

Ingredion, Incorporated, and the U.S. Environmental Protection Agency (EPA) resolved alleged Clean Air Act violations with a Consent Agreement and Final Order (CAFO), Docket No. CAA-05-2019-0013, entered on March 29, 2019. According to paragraph 52 of the CAFO, Ingredion was to perform a Supplemental Environmental Project (SEP). We received Ingredion's SEP completion report dated September 10, 2020. This report fulfills the requirements of paragraphs 56 - 58 of the CAFO.

In accordance with paragraph 59 of the CAFO, EPA is hereby approving the SEP completion report. EPA finds Ingredion has successfully completed the SEP and the associated reporting obligations under the CAFO.

Please direct any questions regarding this case to Virginia Galinsky at (312) 353-2089.
