RE: In the Matter of Westchester County New York
RCRA-02-2016-7504

Dear RJO Ferrara:

I represent Westchester County, New York, in the above captioned administrative proceeding. I write to request a 90-day extension of the County's time to answer the complaint in this matter, retroactive to September 5, 2017. As has been discussed previously, the County and EPA have reached an agreement in principle to settle this matter, subject to reaching an agreement on language and obtaining required governmental approvals. This extension, to December 4, 2017, will provide the parties with an opportunity to do so. The EPA, through counsel, has consented to this request.

Thank you for your attention to this matter.

Very truly yours,

/s/Justin R. Adin
