Status Report – April 2012

Complainant submits this status report pursuant to the March 15, 2012, *Prehearing Order*. The Parties have engaged in settlement discussions through the use of a third-party neutral. The Respondent, Patrick Wilber, has submitted certain information to the Complainant for consideration. The Complainant has reviewed that information and will be working with the third-party neutral and the Respondent to continue settlement discussions. It is not possible to determine at this time whether settlement will be possible. The Parties, however, have engaged in good faith negotiations and discussions. Further, the Parties anticipate that they will continue to use the third-party neutral and attempt settlement.

Respectfully submitted.
