requests a two-week extension of time through January 26, 2015 to file its response. This reasonable extension of time will not prejudice Complainant because this proceeding is at an early stage, disclosures have not yet been exchanged, and a hearing date has not been set.

WHEREFORE, for the reasons stated above, Respondent respectfully requests that its request for a two-week extension of time be GRANTED.

Dated: January 7, 2015
