Docket No. CAA-05-2011-0063

ORDER

Respondent has filed an unopposed motion seeking a three-month extension of time to answer the Complaint. Respondent states that it is currently involved in settlement discussions with Complainant and that it is in the interest of the parties to avoid costly and potentially unnecessary litigation.

Pursuant to 40 C.F.R. § 22.7(b) and for good cause shown, Respondent's motion is hereby GRANTED. Respondent shall have additional time, to and including **January 30, 2012**, in which to answer the Complaint or otherwise plead in this matter. Given the length of this extension, any further motions for additional time will be looked upon with disfavor.

SO ORDERED.
