Re: Proposed Administrative Order and Non-Issuance of the Final Administrative Order
Well Number: 16B
EPA Inventory ID: OS5602018
Docket Number: SDWA-06-2021-1122

Dear Mr. Miller:

As you are aware, on August 18, 2021, the U.S. Environmental Protection Agency (EPA) emailed SM Oil & Gas, Inc. a Safe Drinking Water Act (SDWA) Proposed Administrative Order to address specific SDWA violations. After receipt of the EPA correspondence, SM Oil & Gas, Inc. addressed the violations specified in the Proposed Administrative Order; therefore, EPA shall not issue the corresponding Final Administrative Order. Thank you for your attention to this matter. If you have any questions, please contact Jeanne Eckhart of my staff, at 214-665-8174.

Sincerely,

Bryant Smalley
Chief
Water Enforcement Branch
