High Meadow Ranch  
PWS ID # WY5601569

Dear Mr. Wells:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Order), Docket No. SDWA-08-2007-0041, issued to High Meadow Ranch Owners Association on March 26, 2007. The EPA has determined that the water provided by the High Meadow Ranch water system no longer presents an imminent and substantial endangerment to public health and therefore will close the Order at this time.

Please be aware that High Meadow Ranch Owners Association is still required to comply with the National Primary Drinking Water Regulations (NPDWRs), 40 C.F.R. part 141. Violation of the NPDWRs or an Order may result in a court-imposed injunction and / or penalties of up to \$32,500 per day of violation.

If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983.

Sincerely,

Lisa Kahn, Team Leader
