**CONSENT AGREEMENT**

**I. Preliminary Statement**

This Consent Agreement (“CA”), issued under the authority set forth in Sections 16 and 207 of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. §§ 2615 and 2647, is entered into, through delegation, by the Director, Land and Chemicals Division, U.S. Environmental Protection Agency - Region III (“EPA” or “Complainant”) and Ohio County School District. This CA includes the assessment of a civil penalty against the Ohio County School District (“Respondent”), because it is a local education agency liable for violations which occurred at Madison Elementary School, located at 91 Zane St, Wheeling, West Virginia (the “Facility”), pursuant to TSCA Subchapter II, known as the Asbestos Hazard Emergency Response Act (“AHERA”), 15 U.S.C. §§ 2641 to 2656 (“TSCA AHERA”). This action is brought in accordance with TSCA AHERA and the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (“Consolidated Rules of Practice”), 40 C.F.R Part 22, with specific reference to the provisions set forth at 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3).

This Consent Agreement and the accompanying Final Order (collectively referred to herein as the “CAFO”) address violations by Respondent of TSCA AHERA and the federal regulations implementing TSCA AHERA as set forth at 40 C.F.R. Part 763 Subpart E, and resolve Complainant’s civil claims against Respondent arising from the violations of TSCA AHERA alleged herein.

## **II. General Provisions**

1. For the purpose of this proceeding only, Respondent admits the jurisdictional allegations set forth in this CAFO.
2. Except as provided in paragraph 1, above, Respondent neither admits nor denies the specific factual allegations and conclusions of law set forth in this CAFO.
3. Respondent agrees not to contest EPA’s jurisdiction with respect to the execution of this CA, the issuance of the accompanying Final Order, or the enforcement of the CAFO.
4. For the purposes of this proceeding only, Respondent hereby expressly waives its right to a hearing on any issue of law or fact set forth in this CA and any right to appeal the accompanying Final Order.
5. Respondent shall not deduct for civil taxation purposes the civil penalty specified in this CAFO.
6. Section 22.13(b) of the Consolidated Rules of Practice provides that where the parties agree to settlement of one or more causes of action before the filing of a complaint, a proceeding may be simultaneously commenced and concluded by the issuance of a consent agreement and final order.

7. By signing this CA, Respondent certifies to EPA that, upon investigation and to the best of its knowledge, the Facility is in compliance with the provisions of TSCA AHERA and regulations promulgated thereunder at 40 C.F.R. Part 763 Subpart E.
8. Respondent consents to the issuance of this CAFO and agrees to comply with its terms.
9. Respondent shall bear its own costs and attorney's fees.
10. Nothing in this CAFO shall relieve Respondent of its obligation to comply with all applicable federal, state, and local laws and regulations.
11. By signing and executing this CA, Respondent certifies that it has already spent at least nine thousand four hundred thirty dollars (\$9,430) since West Virginia Department of Health and Human Resources (WVDHHR) February 27, 2008 inspection for purposes of complying with TSCA AHERA and the regulations promulgated thereunder, in accordance with Section 207(a) of TSCA AHERA, 15 U.S.C. § 2647(a), and that Respondent has provided Complainant with all supporting cost documentation and information.
12. This CAFO shall apply to and be binding upon the EPA, Respondent, and the officers, directors, successors, and assigns of Respondent.

### **III. EPA's Findings of Fact and Conclusions of Law**

13. Complainant has determined that Respondent has violated requirements of TSCA AHERA and the federal regulations implementing TSCA AHERA set forth at 40 C.F.R. Part 763 Subpart E. In accordance with the Consolidated Rules of Practice as set forth at 40 C.F.R. §§ 22.13(b) and 22.18(b)(2) and (3), Complainant alleges the following findings of

fact and conclusions of law.

14. Respondent, Ohio County School District, is the “Local Education Agency” (“LEA”) as that term is defined under Section 202(7) of TSCA AHERA, 15 U.S.C. § 2642(7) and 40 C.F.R. § 763.83, because it is a public board of education or other public authority legally constituted within a State for either administrative control or direction of, or to perform a service function for, public elementary schools or secondary schools, including the Facility, in a city, county, township, school district, or other political subdivision of a State, or of or for a combination of school districts or counties that is recognized in a State as an administrative agency for its public elementary schools or secondary schools, including the Facility and as such, is responsible for ensuring that the Facility is in compliance with the requirements of TSCA AHERA.
15. The Facility, Madison Elementary School, located at 91 Zane Street, Wheeling, West Virginia is a “school” as that term is defined at Section 202(12) of TSCA AHERA, 15 U.S.C. § 2642(12) and 40 C.F.R. § 763.83.
16. The Facility is a “school building” as that term is defined at Section 202(13) of TSCA AHERA, 15 U.S.C. § 2642(13) and 40 C.F.R. § 763.83.

#### COUNT 1

17. The allegations contained in Paragraphs 1 through 16 are incorporated herein by reference.
18. 40 C.F.R § 763.85(b)(1) requires at least once every three years after a management plan is in effect, each local education agency shall conduct a reinspection of all friable and

nonfriable known and assumed ACBM in each school building that they lease, own, or otherwise use as a school building.

19. Based on a WVDHHR inspection conducted on February 27, 2008, EPA found that the Ohio County School District had not been conducting asbestos reinspections every three years since 1992.
20. By failing to conduct asbestos reinspections, Respondent violated the requirements of 40 C.F.R. § 763.85 (b) (1) and Section 207 of TSCA AHERA, 15 U.S.C. § 2647(a)(3).

#### **IV. Settlement Recitation**

21. Based on the above Findings of Fact and Conclusions of Law, EPA concludes that Respondent is liable for a civil penalty pursuant to Section 207(a) of TSCA AHERA, 15 U.S.C. § 2647(a), for Respondent's TSCA AHERA violations. In full settlement of the violations alleged in this Consent Agreement, in consideration of each provision of this Consent Agreement and the accompanying Final Order, and pursuant to Sections 207(a) and (c) of TSCA AHERA, 15 U.S.C. § 2647(a) and (c), and other relevant factors, Complainant and Respondent have determined that a civil penalty of six thousand four hundred forty eight dollars (\$6,448) is appropriate.
22. The aforesaid assessed penalty is based upon EPA's consideration of a number of factors, including, but not limited to, the statutory factors set forth in Section 207(c) of TSCA AHERA, 15 U.S.C. § 2647(c), *i.e.*, the significance of the violation, the culpability of the violator, and the ability of the violator to continue to provide educational services to the community. These factors were applied to the particular facts and circumstances of this

case with specific reference to EPA's *Interim Final Enforcement Response Policy for the Asbestos Hazard Emergency Response Act* ("ERP"), dated January 31, 1989, adjusted for inflation pursuant to 40 C.F.R. Part 19.

23. Respondent certifies that it has spent nine thousand four hundred and thirty dollars (\$9,430) since WVDHHR's February 27, 2008 inspection to comply with TSCA AHERA. Therefore, pursuant to Section 16(a)(2)(C) of TSCA and Section 207(a) of TSCA AHERA, 15 U.S.C. § 2615(a)(2)(C) and 2647(a), EPA agrees to the remittance of six thousand four hundred forty eight dollars (\$6,448) of the civil penalty assessed against the Respondent.

#### **V. Reservation of Rights**

24. This CAFO resolves only the civil claims for the specific violations alleged in this CAFO. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice. Further, EPA reserves any rights and remedies available to it under TSCA AHERA, the regulations promulgated thereunder, and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO, following its filing with the Regional Hearing Clerk.

## **VI. Effective Date**

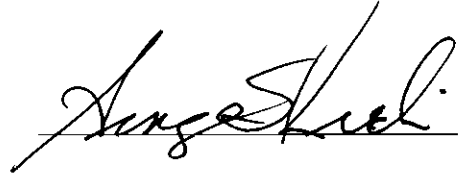

25. The effective date of this CAFO is the date on which the Final Order is filed with the Regional Hearing Clerk pursuant to the Consolidated Rules of Practice. The undersigned representative of Respondent certifies that he or she is fully authorized by Respondent to execute this Consent Agreement and to legally bind Respondent to this Consent Agreement.
