Docket No. EPCRA-05-2013-0025

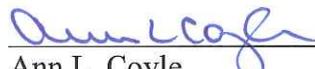

ORDER ON MOTION

On September 12, 2013, Revere Plastics Systems, LLC (Revere), received the administrative complaint filed against it by the U.S. Environmental Protection Agency in the above-captioned matter. On October 1, 2013, Revere sought, by motion, an additional 30 days in which to answer the Complaint. On October 14, 2013, Revere sent its Answer to the Complaint to EPA by Federal Express. A substantial portion of the United States government, including much of EPA, shut down on October 1 due to a lapse in federal appropriations. EPA resumed full operations on October 17, 2013. As a result of the federal government shutdown, EPA did not receive Revere's motion for an extension of time or its Answer until October 17, 2013. Both documents were filed on October 17.

Revere's Answer was filed on the same day as its motion for an extension of time to file an answer; therefore, Revere's motion is moot and does not need to be considered.

IT IS SO ORDERED.
