IN THE MATTER OF: :

Praderas Del Mar, Inc., :

Respondent :

Docket No. CWA-02-2009-3602

REPORT OF STATUS CONFERENCE AND ORDER

A status teleconference in this matter was held on September 14, 2010. Participating were:

| | |
|-------------------------|--------------------------|
| Presiding Officer: | Helen S. Ferrara |
| Respondent's Attorney: | Heriberto Güivas-Lorenzo |
| Complainant's Attorney: | Eduardo J. Gonzalez |

Status: Respondent's attorney explained that the work plan that was to be submitted no later than August 31, 2010 was delayed by the fact that Respondent's environmental consultant was out of the country and unavailable to work on the work plan until about ten days ago. Respondent's attorney did confirm that the work plan was delivered yesterday to his client's office, and that the Respondent has indicated he will be forwarding that work plan to his attorney, in order that it may be forwarded to Complainant's attorney for review by the Complainant.

Complainant's attorney added that he anticipates that the work plan will become part of the proposed settlement between the parties, and that it is therefore very important to review and discuss the plan. He suggested, as a next step, that Respondent confirms that EPA's proposal to Respondent is acceptable and that therefore there is an agreement in principle between the parties. Complainant's attorney requested that a conference call be scheduled for next week to address whether the proposed settlement will be successful.

Respondent's attorney agreed that the next step is Respondent's. Respondent's attorney indicated that he had forwarded EPA's proposal to Respondent who did actually

attempt to contact his attorney yesterday. He agrees that a teleconference next week is a good idea, and assures the undersigned and Complainant's attorney that Respondent has every intention of resolving this matter.

The parties and the Undersigned agreed to continue the status teleconference on September 23, 2010 at 10:00AM DST.

IT IS ORDERED:

The Undersigned continues the status conference until Thursday, September 23, 2010 at 10:00AM DST, at which time she will contact Mr. Gonzalez and Mr. Güivas-Lorenzo, unless she hears otherwise from either party.
