Re: Administrative Order Addendum, Cooper Subdivision Mobile Home Park,
PWS ID #5601450, Docket # SDWA-08-2015-0002

Dear Mr. Wagner:

This letter is an addendum to the Administrative Order (Order) issued on November 18, 2014, to Reata Properties, LLC (Reata), as owner and/or operator of the Cooper Subdivision Mobile Home Park public water system. The purpose of this letter is to approve the January 30, 2015, schedule submitted via email by John Pinter, on behalf of Reata, for coming into consistent compliance with the total coliform maximum contaminant level (MCL). The schedule to install permanent chlorination by March 16, 2015, is hereby incorporated into the Order per paragraph 8 (page 2) of the Order.

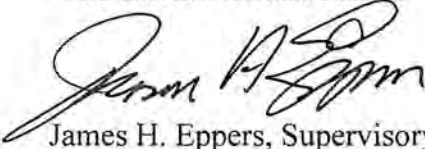

Pursuant to paragraph 10 of the Order, the System shall achieve compliance with the total coliform MCL by the March 16, 2015, final compliance deadline in this approved schedule. The EPA is authorized to seek penalties if these deadlines are not met. If Reata has a reasonable basis to believe it may be unable to meet any deadline in the schedule, it shall notify the EPA well in advance of the scheduled deadline to request an extension. The EPA may, in its discretion, consider granting an extension.

Please contact Kathelene Brainich, Environmental Protection Specialist, at (303) 312-6481 or via email at brainch.kathelene@epa.gov if you have any questions concerning this Addendum.
