ORDER GRANTING EXTENSION OF ALTERNATIVE DISPUTE RESOLUTION

The ADR period expired on November 3, 2010. The matter of extending the ADR process was discussed telephonically with the parties prior to expiration of the ADR period and the parties joint motion for a 30-day extension of the ADR process was received on November 5, 2010. Complainant needs additional time to review data submitted by Respondent to support its inability to pay claim. It is likely that an affirmation determination on Respondent's claim of inability to pay the proposed penalty will result in a settlement. For good cause shown, the motion to extend the ADR process is granted and the Alternative Dispute Resolution process in this matter is extended to and including December 3, 2010.

So Ordered.
