CONSENT AGREEMENT

A. PRELIMINARY STATEMENT

1. Complainant, the United States Environmental Protection Agency, Region 1 (“EPA”), alleges that Respondent Smith & Wesson Corp. (“Smith & Wesson” or “Respondent”) violated Section 313 of Title III of the Superfund Amendments and Reauthorization Act, 42 U.S.C. § 11023 (also known as the Emergency Planning and Community Right-to-Know Act or “EPCRA”), and the federal regulations promulgated thereunder.

2. EPA and Respondent agree that settlement of this matter is in the public interest and that entry of this Consent Agreement and Final Order (“CAFO”) without further litigation is the most appropriate means of resolving this matter. Pursuant to 40 C.F.R. §§ 22.13(b) and 22.18 of EPA’s “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits,” 40 C.F.R. Part 22, EPA and Respondent agree to simultaneously commence and settle this action by the issuance of this CAFO.

3. Therefore, before any hearing, without adjudication of any issue of fact or law, upon the record, and upon consent and agreement of EPA and Respondent, it is hereby ordered and agreed as follows:

B. STATUTORY AND REGULATORY AUTHORITY

4. Pursuant to Sections 313 and 328 of EPCRA, 42 U.S.C. §§ 11023 and 11048, EPA promulgated the Toxic Chemical Release Reporting: Community Right-to-Know Rule, 40 C.F.R. Part 372.

5. Section 313(a) of EPCRA, 42 U.S.C. § 11023(a), requires owners or operators of a facility subject to the requirements of Section 313(b) to submit annually, no later than July 1 of each year, a Toxic Chemical Release Inventory Reporting Form, EPA Form 9350-1 (hereinafter, "Form R"), for each toxic chemical listed under 40 C.F.R. § 372.65 that was manufactured, processed, or otherwise used during the preceding calendar year in quantities exceeding the toxic chemical thresholds established under Section 313(f) of EPCRA, 42 U.S.C. § 11023(f), and 40 C.F.R. § 372.25. If the owner or operator determines that the alternative reporting threshold specified in 40 C.F.R. § 372.27 applies, the owner or operator may submit an alternative threshold certification statement that contains the information required under 40 C.F.R. § 372.95 (the alternative threshold certification statement is also known as "Form A"). Each Form R or Form A is required to be submitted to the Administrator of EPA and to the state in which the subject facility is located. Forms R and Forms A are hereinafter referred to as "TRI Forms."

6. Section 313(b) of EPCRA, 42 U.S.C. § 11023(b), and 40 C.F.R. § 372.22 provide that owners or operators of facilities that have 10 or more full-time employees; that are in a Standard Industrial Classification ("SIC") code or North American Industry Classification

Smith & Wesson Corp.

System (“NAICS”) code set forth in 40 C.F.R. § 372.23; and that manufactured, processed, or otherwise used a toxic chemical listed under 40 C.F.R. § 372.65 in a quantity exceeding the established threshold during a calendar year are required to submit a Form R or Form A for each of these substances for that year.

7. Section 325(c)(1) of EPCRA, 42 U.S.C. § 11045(c)(1) (as amended by the Federal Civil Penalties Inflation Adjustment Act, 28 U.S.C. § 2461, and the Debt Collection Improvement Act, 31 U.S.C. § 3701), and EPA’s Civil Monetary Penalty Inflation Adjustment Rule, promulgated thereunder at 40 C.F.R. Part 19, authorize the assessment of civil administrative penalties of up to \$37,500 per day for each violation of Section 313 of EPCRA that occurred from January 12, 2009 through November 2, 2015, and civil administrative penalties of up to \$55,907 per day for each violation of Section 313 of EPCRA that occurred after November 2, 2015. Pursuant to Section 325(c)(3) of EPCRA, 42 U.S.C. § 11045(c)(3), each day a Section 313 violation continues constitutes a separate violation.

50. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both parties, and approval of the Regional Judicial Officer.

51. This CAFO constitutes a settlement by EPA of all claims for civil penalties pursuant to Section 325(c) of EPCRA for the violations and facts specifically alleged in this CAFO. Compliance with this CAFO shall not be a defense to any actions subsequently commenced pursuant to federal laws and regulations administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations. This CAFO in no way relieves Respondent or its employees of any criminal liability. Nothing in this CAFO shall be

construed to limit the authority of the United States to undertake any action against Respondent in response to conditions which may present an imminent and substantial endangerment to the public.

52. Nothing in this CAFO shall be construed as prohibiting, altering, or in any way limiting the ability of EPA to seek any other remedies or sanctions if Respondent is in violation of this CAFO or continues to be in violation of the statutes and regulations upon which the allegations in this CAFO are based, or for Respondent's violation of any other applicable provision of federal, state, or local law.

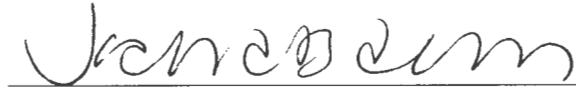

53. Each party shall bear its own costs and fees in this proceeding including attorney's fees, and specifically waive any right to recover such costs from the other party pursuant to the Equal Access to Justice Act, 5 U.S.C § 504, or other applicable laws.
