RECEIVED  
EPA REGION 4

The Complainant ("U.S. EPA") and Respondent, Agrimor Int'l Co. ("Agrimor"), move this Court to extend the ADR process for another thirty days as follows:

- (1) On May 27, 2010, the Chief Administrative Law Judge referred this case to Judge Spencer Nissen to serve as the ADR Judge.
- (2) The initial ADR period was to expire on June 18, 2010 but may be extended for up to sixty days.
- (3) After conferring with Judge Nissen, the parties believe an extension of the ADR period would help resolve this matter without the need for litigation.
- (4) The parties jointly request that the ADR process be extended for an additional thirty days, to expire on July 19, 2010.
- (5) The undersigned has been authorized by counsel for Agrimor to file this Joint Motion on behalf of both parties.

Respectfully submitted,
